- You are a non-FAFSA filer pursuing a Private Student Loan ONLY for Summer 2024.

**Important notes about summer financial aid:**

- Summer financial aid is based on your eligibility for State and Federal Aid Programs.
- Federal Direct Loans are not automatically applied in the Summer; if you would like to have them applied to the Summer, you must complete a Loan Request Form through myPurdue.
- To be considered for institution, need-based aid you must be enrolled at least half-time for Summer:
  - Undergraduate students – at least 6 credit hours
  - Graduate/Professional students – at least 3 credit hours

Initial awarding of summer financial aid will begin in late April. For applications submitted after that time, please allow 1-2 weeks for aid information to be listed on the 2024-25 Financial Aid tab of your myPurdue account. This information will include Fall and Spring aid eligibility as well.

You must meet Satisfactory Academic Progress requirements which can be found at <https://www.purdue.edu/dfa/contact/policiesappeals/>.

Financial aid is based on the number of credit hours in which a student is enrolled AND has initiated course participation as of Summer module 3. Please visit <https://www.purdue.edu/dfa/contact/policiesappeals/> - Select 'Required Enrollment' to view details on these requirements.

**Regional Campus Temporary Transfer** - This application is for PWL/Statewide courses (including Distance Learning) **only**. If you will be temporarily attending one of Purdue University's Regional Campuses (PNW, IUPUI, or PFW) for the Summer, please review separate application requirements and eligibility information at this link for Regional Campus courses: <https://www.purdue.edu/dfa/aid/summer/>.
