Financial Aid Summer 2020 Application

Summer Financial Aid Requirements

Most types of financial aid require at least half-time enrollment which is:
- Undergraduate students - at least 6 credit hours
- Graduate/professional students - at least 3 credit hours

Information required to receive summer 2020 financial aid:
- The 2020-2021 Free Application for Federal Student Aid (FAFSA).
- Satisfy all financial aid requirements for 2020-21 (check your myPurdue under the Financial Aid tab).
- The 2020 Summer Financial Aid application

NOTE: If you are a non-FAFSA filer pursuing a Private Student Loan ONLY for Summer 2020, you must still complete the Summer Aid Application.

Initial awarding of summer financial aid will begin first week of April. For applications submitted after that time, please allow 1-2 weeks for aid information to be listed on the 2020-21 Financial Aid tab of your myPurdue account. This information will include Fall and Spring aid eligibility as well.

You must meet Satisfactory Academic Progress requirements which can be found at http://www.purdue.edu/dfa/contact/policies.appeals.html#sap.

Financial aid is based on the number of credit hours in which a student is enrolled AND has initiated course participation as of Summer module 3. Please visit http://www.purdue.edu/dfa/contact/policies.appeals.html#enrollment to view details on these requirements.

Regional Campus Temporary Transfer - This application is for PWU/Statewide courses (Including Distance Learning) only. If you will be temporarily attending one of Purdue University's Regional Campuses (RMU, IUFW, or PFW) for the Summer, please review separate application requirements and eligibility information at this link for Regional Campus courses: http://www.purdue.edu/dfa/details.html#summerreg.

☐ I have read and understand the information provided above.
