Financial Aid Summer 2021 Application

Summer Financial Aid Requirements

Most types of financial aid require at least half-time enrollment which is:
- Undergraduate students - at least 6 credit hours
- Graduate/professional students - at least 3 credit hours

Information required to receive summer 2021 financial aid:
- The 2021-2022 Free Application for Federal Student Aid (FAFSA).
- Satisfy all financial aid requirements for 2021-22 (check your myPurdue under the Financial Aid tab).
- The 2021 Summer Financial Aid application.

NOTE: If you are a non-FAFSA filer pursuing a Private Student Loan ONLY for Summer 2021, you must still complete the Summer Aid Application.

Initial awarding of summer financial aid will begin first week of April. For applications submitted after that time, please allow 1-2 weeks for aid information to be listed on the 2021-22 Financial Aid tab of your myPurdue account. This information will include Fall and Spring aid eligibility as well.

You must meet Satisfactory Academic Progress requirements which can be found at http://www.purdue.edu/dfa/contact/policies-appeals.html#sap.

Financial aid is based on the number of credit hours in which a student is enrolled AND has initiated course participation as of Summer module 3. Please visit http://www.purdue.edu/dfa/contact/policies-appeals.html#enrollment to view details on these requirements.

Regional Campus Temporary Transfer - This application is for PWL/Statewide courses (including Distance Learning) only.
