Keynote Presentation

Presented by Marilyn Neder Flack, AAMI Senior Vice-President, Patient Safety Initiatives, Executive Director, AAMI Foundation

AAMI Foundation recently launched the National Coalition for Infusion-Therapy Safety. Come hear about the history behind the building of this two-year initiative, the recommendations that came out of the kick-off meeting of invited stakeholders, and next steps to move the recommendations into the clinical community.

Development Update

Presented by Ann Christine Catlin, Senior Research Scientist, Rosen Center for Advanced Computing

AC and her team continue to develop the IPI system in response to user needs. In this presentation, she will show some of their most recent accomplishments and answer some user questions.

University of Iowa Hospitals & Clinics Team Dynamics

Dr. Douglas J. Van Daele, Chief Medical Information Officer, University of Iowa Healthcare Associate Dean for Clinical Affairs, Roy J and Lucille A Carver College of Medicine
Executive Director, University of Iowa Physicians
Associate Professor, Department of Otolaryngology - Head and Neck Surgery
Associate Director, University of Iowa Hospitals and Clinics

Van Daele became CMIO in October 2009 after being the University of Iowa Physicians IT representative on the EPIC CIS project. Dr. Van Daele received his undergraduate degree in Biomedical Engineering from the University of Iowa in 1991 and his Doctor of Medicine degree from the University of Iowa in 1996. He was also appointed Associate Dean for Academic Affairs for the Carver College of Medicine in 2013. In addition to his administrative responsibilities, he continues to practice Otolaryngology—Head and Neck Surgery at the University of Iowa.

Integration Presentation by Mike Brownlee, PharmD, MS, Chief Pharmacy Officer and an Associate Hospital Director at the University of Iowa Hospitals and Clinics (UIHC). He also serves as Clinical Associate Professor and Associate Dean for Clinical Education for the University of Iowa College of Pharmacy.

As a hospital administrator at UIHC, Dr. Brownlee is responsible for all pharmacy enterprise operations and serves as an executive leader of a number of organizational strategic initiatives. In addition to his on-campus responsibilities, he is an active leader in a number of local and national pharmacy organizations.

In his academic role, he lectures, precepts students and residents, serves on a number of college committees, and is Director of the Health-System Pharmacy Administrative Residency combined with a MPH or MHA from the UI College of Public Health.
University of Iowa Healthcare Panel on Epic/Alaris Integration Experience

Please be respectful of vendor copyright restrictions so,
PLEASE Absolutely no videos or photos allowed during the integration live demonstration!

Bev Vermace MSN RN
Clinical Coordinator
Healthcare Information Systems
University of Iowa Hospitals and Clinics Parental Infusion Device Coordinator since 2008
RCHE Infusion Pump Informatics Group Member since 2010 Steering Committee Member since 2012

Curtis Chung, PMP, MCPM, ITIL PMO Director
Project Management Office

Jeff Killeen, PharmD, RPh, Pharmacy Informatics Manager,
Department of Pharmaceutical Care

Pam Kunert APN MSN, RN-BC has been a nurse since 1985. She got her AD at a community college in Fort Dodge, Iowa, her BSN at Lincoln University in Jefferson City, Missouri and her MSN with a certificate in Nursing Informatics at University of Iowa in Iowa City, Iowa.

Pam currently is an APN Nursing Informatics Specialist since 2001 at the University of Iowa Hospitals and Clinics where her expertise involves adult, pediatric and neonatal ICU’s, Patient Education and device integration.

Kurt Wendel is the Manager for the Systems Administration group at UI Health Care. Kurt is responsible for the technical components of integration for all device data into the EMR at UI Health Care. Kurt has been working with the infusion pump solutions at UI Health Care since 2008 and has been with the organization for 15 years.
Topic 1: Improving Compliance

Meet in Room W405

This group will examine hospital efforts to improve drug library compliance. The group will focus on capturing best practices and identifying tools for optimizing this important metric.

*Homework includes bringing a list of your hospital’s activities taken to improve drug library compliance.*

Facilitators:

Andy Aldred, PharmD, MBA
Director of Pharmacy and Materials Management
Cameron Memorial Community Hospital

Scott Hirschy, RN, BS
Clinical Informatics Coordinator
Information Technology/Nursing Administration
Cameron Memorial Community Hospital

Topic 2: Hard and Soft Drug Limits

Meet in Room W403

This group will discuss the setting of hard and soft limits in the drug limit library and identify recommendations for setting limits when building libraries.

*Homework includes identifying and documenting your hospital’s approach for using hard and soft limits in drug limit libraries.*

Facilitator:

Julie L. Kindsfater, PharmD, BCPS
Drug Formulary Specialist, Sr.
Aurora Health Care
Coralville Marriott Hotel & Conference Center

300 East 9th St.

Coralville, Iowa 52241

Phone: 319-688-4000

Note: The hotel shuttle is reserved to transport the IPI group guests to the hospital Wednesday and subsequently from the hospital to the Iowa River Power Restaurant. Thursday, the shuttle will leave the hotel in the morning and return to the hotel after the conference if guests choose to leave their car parked at the hotel. Following are the reserved shuttle times, making two trips as needed:

**Wednesday, April 22**

(Group will call when ready for return to hotel after dinner)
University of Iowa Hospitals & Clinics
200 Hawkins Drive
Iowa City, Iowa 52242

- **Meet Wednesday at 5:00 pm for tour at main entrance (see hospital map page 8)**
- **Thursday at 8:00 am in the Nursing Education Center, West Entrance**
UIHC Parking

*Note: Hospital parking available for a fee*

Parking and Wayfinding

**Ramp Parking and Rates**

We provide convenient parking for patients and visitors in three ramps surrounding UI Hospitals and Clinics and UI Children’s Hospital. The ramps are open 24 hours a day, 7 days a week, and parking can be paid by cash, check, MasterCard, or Visa. You can also choose valet parking for a flat fee of $12, which allows you to leave your car with an attendant at the Main Entrance or Pomerantz Family Pavilion entrance. The valet fee is paid before you leave and can be paid by cash or check, MasterCard, or Visa.

- All of our ramps have several handicapped accessible parking spaces and all are served by elevators.
- **Ramp 1** is located close to services in Boyd Tower and General Hospital. If your appointment letter mentions taking Elevator A, B, or C, consider parking in Ramp 1. It is located a short walk from our Fountain entrance. It is also convenient for visits to our Center for Disabilities and Development.
- **Ramp 3** is located across Hawkins Drive from the hospitals and clinics complex. A skyway connects the ramp to the Carver, Colloton, and Pappajohn pavilions of the hospital, near Elevators E, F, and I.
- **Ramp 4** is located closest to the Pomerantz Family Pavilion, which includes the Family Medicine Clinic, the Ambulatory Surgery Center, and the Holden Comprehensive Cancer Center. It is connected by a skyway to the building on Level 2. You will be closest to Elevators L and M.

**Questions about parking?**

**Monday through Friday from 8 am to 5 pm**

- UI Parking and Transportation Service: 319-335-1475
- UI Health Care Concierge Services: 319-356-1900

**After 5 pm and on weekends:**

- UI Parking and Transportation Services: 319-335-8312
Directions to Nursing Clinical Education Center

University of Iowa Hospitals & Clinics
200 Hawkins Drive, W424 GH
Iowa City, IA 52242

The Nursing Clinical Education Center (NCEC) is located in the University of Iowa Hospital. Please park in Ramp I.

Turn off of Hawkins Drive onto Evashevski Drive, which leads to the main entrance. Drive past the main entrance. Ramp I is to the left of the fountain entrance.

Once parked, cross the small side street to enter through the General Hospital entrance (this entrance is labelled “General Hospital West Entrance”)

Follow the hallway to elevator BW; on your left not far from the entrance. Take elevator BW to the 4th floor.

Turn right off the elevator and take your first right into the NCEC.
Dinner
Wednesday, April 22nd
6:30 pm
Casual Business Attire

501 1st Avenue
Coralville, Iowa
319.351.1904
BUS TRANSPORTATION FROM PURDUE

- The Purdue bus is scheduled to leave from the Burton Morgan Circle Drive at 9:00 am, EST Wednesday morning. The bus will arrive for loading at 8:30 am. We will stop at Cracker Barrel in Bloomington, IL, for lunch, then proceed to the hotel for check-in.

- Luggage can be locked inside the bus at 7:00 am, Thursday morning before the hotel shuttle transports groups to the hospital.

- Departure from UIHC is scheduled for 5:00 pm, CDT. We will stop for dinner and arrive back to West Lafayette at approximately 12:00 to 1:00 am, Friday.

Questions, please call:

- Lisa Stacey, Regenstrief Center for Healthcare Engineering, 765-714-3165
- Bev Vermace, UIHC, 319-384-2731
- University of Iowa Hospitals and Clinics, 319-356-1616
Thank you for attending the 2015 Infusion Pump Informatics Conference.

Our sincere gratitude to University of Iowa Hospitals and Clinics for hosting our event and the many team members who contributed.
