

VALET: Visual Analytics Law Enforcement Toolkit

- **Personnel:** Ebert, Collins, Maciejewski, Malik
- **External Partners:** Lafayette and West Lafayette Police Dept., Tippecanoe County Sheriff's Dept., Indianapolis Police Dept.
- **Goal:** Provide law enforcement agencies with a suite of advanced visual analytic tools for enhanced exploration and analysis of criminal, traffic, and civil incidence reports
- **Approach:**
 - Develop a spatiotemporal analysis and exploration toolkit using linked displays for advanced data exploration
- **Outcomes:**
 - Allows analysts to develop and test hypothesis about criminal activities within various areas of their community
