This year, we’re pursuing racial justice — together. And we’re starting the work by engaging with activists, thought leaders, experts and artists who have devoted their lives to the work of real and lasting change in our world.

Together with the Division of Diversity and Inclusion, join these free online events, where our Purdue community can learn concrete actions we can take in the fight against racism and systemic inequities.

Mark your calendars and register online at PURDUE.LINK/PURSUE-RACIAL-JUSTICE

AT PURDUE, WE ARE ALWAYS LEARNING.
