

Peer Mentor Application
2019-2020 Application

The Peer Mentor Program offers opportunities to share knowledge and personal experiences, develop leadership skills, cultivate personal relationships with a peer(s) in the DRC program, taking part in professional development opportunities, and attending campus activities and making lasting memories at Purdue and within the community.

The Peer Mentor Program seeks a select group of Mentors trained to support one or more mentees. Mentors communicate and/or meet on a regular basis with mentees. Mentors assist mentees with:

- Providing personal and academic support/resources
- Understanding disability and accommodations in the college environment
- Managing college expectations
- Attending campus events and activities
