

PURDUE UNIVERSITY
Energetic Materials Management Plan

Energetic Materials Management Plan Awareness Certification

Awareness Statement

By signing below, I certify that:

- I have read the Energetic Materials Management Plan.
- I will maintain compliance with University Policies and Procedures, ATF and USDOT requirements while in possession of regulated energetic material(s).
- I will properly log all on-hand inventory of energetic material(s) and follow all laboratory security requirements.
- I will make a good faith effort to minimize my waste generation.
- I will read and follow all established SOPs or work with safety or subject matter experts to develop a SOP for any new processes.
- I will not perform tasks that I have not been trained to perform.
- I acknowledge that research on energetic materials comes with inherent risks, that I will be aware of these risks, both general and operation specific, and will endeavor to ensure the safety of myself and others while working with energetic materials.

Acknowledgment

Name:	Purdue ID #:	Purdue Email:	Telephone #:
Department:	Principal Investigator (PI) or Supervisor:		
Signature:	Date:		

After reading the Energetic Material Management Plan and signing this form, save it for your records and complete the Energetic Material Management safety quiz (https://purdue.ca1.qualtrics.com/jfe/form/SV_2hng75XtNn4QGJ8).
