End of Summer Session 2005

Reported as of Official Reporting Date\*

Unduplicated headcounts for the end of Summer Session are reported in this document. Each student is counted only once, regardless of the number of modules or sessions attended. This report includes intensive courses and late registrations, as well as the net effects of cancellations and drop/add transactions.

NOTE: PURDUE UNIVERSITY SYSTEM DEFINITION

Purdue University has administrative and external reporting responsibilities for the entire Fort Wayne campus (Indiana-Purdue Fort Wayne campus) and therefore maintains enrollment data for both Indiana University and Purdue University students. Information about Indiana University students at Indiana-Purdue Fort Wayne campus is included in this report. All students at Fort Wayne campus are included in Purdue University System figures.

Enrollment data for Purdue students at Indiana University-Purdue University at Indianapolis (IUPUI) are not maintained by Purdue University. Consequently, information about Purdue students at IUPUI is reported only in Tables 1 and 2. Purdue students at IUPUI are not included in Purdue University System figures.
