Degree Clearance

Provost initiative to use MPP to clear degrees

- Fall 2017 first term
- Pulls student coursework from Banner
- Shows curriculum requirements
- Shows progress toward degree
- Has some other pretty neat features! – Planner, What If, Class History View...

The screenshot displays the Degreeworks PROD interface. At the top, it shows the student's overall GPA (3.08) and progress toward a Bachelor of Science degree (90% completion). Below this, a list of requirements is shown, including University Core Curriculum, Major in Speech, Language, and Hearing Sciences, and 32 Upper Credits. The system indicates that 120 credits are required, and the student has applied 93 credits. The bottom section shows the student's progress in meeting foundational learning outcomes, such as Written Communication and Oral Communications, with specific course numbers and descriptions.

Road Map

Evaluate

Upgrade

Enhance

Evaluate – June through January

What are we looking at:

- Exceptions
 - How many are applied
 - Why
 - How can we reduce this number
- Curriculum
 - Are curriculum rules in line with Financial Aid tracking (CPOS)
 - Do curriculum rules match the catalog
- Scribe Standards
 - Where can we improve consistency and functionality

Upgrade - TBD

Degree Works 5.0.1

- This is a major release. We'll be moving from 4.1.6 to 5.0.1.
- Most of the “Major” is in the infrastructure.
 - Completely web based admin tools
 - Better support of load balancing
 - Reduced need to restart services

Enhance – June through Forever

Degree Works Hot List

- Pick list clean up
- Search by advisees
- Apply to graduate tracking
- State Core tracking
- Localizations
 - Red proxy advice
 - Program in Find and What If
 - Athletes in Find
 - More space between requirements
 - Updated branding
- Etc...

THANK YOU
