# STAR 2019

## What is STAR?

- One of two primary orientation programs at Purdue University (Boiler Gold Rush)
- Purdue's Summer Transition, Advising and Registration (STAR) program is designed to ease a student's transition to life at the University. Attendance at STAR helps students connect with the University community, meet with those who will aid them in their academic career, and establish relationships that will be important to their success. Students, along with their guests, attend sessions and perform tasks to prepare for their academic experience.
- In 2018, over 7,000 students and nearly 11,000 guests participated; over 1,500 in VSTAR

# STAR 2019

## What's coming up?

- Monday, June 3 – First STAR session registration closes (one week prior)
- Wednesday, June 5 – STAR Ambassador Training
- Monday, June 10 – First STAR session; Summer Start and Early Start
- Thursday, June 13 – STAR begins for all students
- Friday, July 12 – STAR Transfer Day; last day of STAR
- Wednesday, July 31 – Student leaders begin to move-in for Boiler Gold Rush

**WSTAR**

# STAR 2019

- Virtual Summer Transition, Advising and Registration (VSTAR) is Purdue's online version of STAR.
- International undergraduate students and those who have been granted an exception for STAR will take part in VSTAR.
- VSTAR guides students through campus resources and provides information on fall course planning.

## STAR Planning Details

Dear ,

This email provides detailed information needed to make your STAR visit a success. Please forward this message to any guests joining you at STAR so everyone who attends will know what to expect. Students should continue to check their Purdue email daily to stay informed.

Note that all STAR participants should plan to be on Purdue's campus from 7 a.m. to 5 p.m. Eastern Daylight Time during their STAR session. Upon arrival, please park in the [North Stadium Lot at Ross Ade Stadium](#). Shuttles will pick up every 10 minutes to transport you to your [check-in location](#), which varies depending on your STAR date.

# STAR 2019

## IN THE WEEKS LEADING UP TO YOUR STAR SESSION

Students should log in to the [myPurdue student portal](#) to finish any outstanding items on their New Student Task List, and complete tasks that have early deadlines:

- Click on the "Select your STAR session" link to register guests at least one week before your STAR session, and double check your STAR date by clicking on "Current Enrollments"
- Complete the Student Information Form at least one week before your STAR session
- [Upload your ID card photo](#) at least one full business day before your STAR session
- [Complete Immunization requirements](#)
- Complete myCareerPlan
- Request transcripts for any Dual Credit courses. Read more on [Purdue's Transfer Credit website](#)
- Take the [ALEKS Math Assessment](#) (optional)

Review the STAR schedule: Download the PurdueGuide app from the Google Play store or the Apple app store. The app will provide an electronic schedule of STAR sessions.

- After downloading the PurdueGuide app, select the "Campus" tab in the lower right corner and tap "Find Guides."
- Select the STAR guide that correlates with your visit date and tap "Add Guide."
- Hit the back button. You will now be able to access the STAR guide under the "My Guides" section at the bottom of the Campus tab.

STUDENT SUCCESS PROGRAMS

## IN THE DAYS LEADING UP TO YOUR STAR SESSION

- [Review what to expect at STAR](#) – please make special note of things to bring, including your printed parking pass.
- Check the weather forecast for West Lafayette.
- Make a list of questions for your academic advisor. Students should bring these questions with them to their advising appointment.
- Decide whether to take a [Foreign Language Placement](#) exam or the written test for [COM 114](#) while on campus.
- For students with disabilities, STAR provides an opportunity to prioritize some accommodations before course registration. Please call Purdue's [Disability Resource Center](#) (DRC) at 765-494-1247 at least one week before your STAR date to schedule an appointment to discuss accommodations for barriers related to physical access, course materials, and timing of classes.

# STAR 2019

## THINGS TO DO ON YOUR STAR DAY

- Wear comfortable shoes!
- Bring your Purdue University ID number, a government-issued ID, and Purdue career account log-in information (username and password).
- Remember Purdue is on Eastern Daylight Time (EDT).
- Please arrive between 7 and 7:30 a.m. to ensure a smooth check-in process.
- Individual schedules may vary, but attendees should plan to be on Purdue's campus until 5 p.m.
- Visit [Purdue University Pharmacy](#), the only on-campus pharmacy at Purdue, for your prescriptions, over the counter items, and immunization needs.

If you need to change your STAR date, you can make this change by visiting the New Student Task List on [myPurdue](#) and clicking on "Select Your STAR Session."

Have a safe journey, and see you at STAR!

- Purdue Musical Organizations (PMO)
- Women in Engineering Program
- Purdue Promise
- Bands & Orchestras Auditions
- Honors College Tea
- Horizons Student Support Services
- College of Science Diversity Office ROTC
- Multicultural Association of Pharmacy Students

## Final items to consider

- BoilerKey – some may have it, some may not. Impacts on logging in on STAR date.
- We have a responsibility to educate and orient all participants
  - Use microphones in all settings if available (large classrooms in particular)
  - Have all materials accessible in a variety of formats for students or guests who may need a screen reader
  - Consider the impacts of students or guests in your room who have mobility, hearing, or visual impairments
- Questions: [studentsuccess@purdue.edu](mailto:studentsuccess@purdue.edu) or 765-494-9328
