Accessing Respect Boundaries in Brightspace

1. Visit purdue.brightspace.com and select **Purdue West Lafayette**.

2. You will be prompted to log in using BoilerKey. Note: if you are having issues with BoilerKey you will need to contact itap@purdue.edu. VPEC Education is not able to assist you with BoilerKey issues.
3. After you are logged in to Brightspace you should see “Fall 2020 Respect Boundaries WL...” assigned to you. If you do not see it be sure to select any tabs you might have under My Courses. Selecting the All tab should present the course.

4. Once in the course, select Content in the menu bar to access the material.
