

Travel Waiver for Minors

Minor Participant Name

Date of Birth

I understand that _____ program at Purdue University allows attendees to drive themselves to and from the program. I understand Purdue University will only take custodial responsibility of the minor after they check-in to the program and until the time they check themselves out. Custodial responsibility of the minor will remain with the parents/legal guardians during any other time.

If the minor is at least 16 years old, the parent/guardian can sign this form to permit the minor to sign-in/sign-out of the event themselves at the beginning and end of the activities.

I do grant permission for this.

I do **NOT** grant permission for this.

I affirm that I am the parent/legal guardian of the minor participant named in this registration.
