REGISTRATION

Be on the lookout for instructions from your advisor about registration for Spring 2021. It is important that you come to your appointment prepared. Be ready to talk about which majors you are considering and have an idea of which classes you want to take. Most importantly, do not forget to show up to your registration appointment!
All students must have their requests in the Scheduling Assistant by November 20th.

FLU SHOT

Students who are currently on campus or plan to return to campus this spring must get a flu shot by October 31st. Purdue will be holding flu shot events between Sept. 28th and Oct. 7th at the CoRec. You will need to bring your PUID, insurance card, and a consent form. More information on exact dates and a link to the consent form can be found here: https://www.purdue.edu/hr/COVID-19/flu-info/index.php

REMINDER 8 WEEK CLASSES

Second eight-week courses begin on Friday, October 16th. If you are enrolled in a second eight-week course, be sure to mark your calendar.
MATH EXAM RESOURCES

One of the most effective ways to study for math exams is to do past exams under the same conditions as real exams (e.g. timed, closed book, specific calculator). Avoid looking at answers until you are finished with the exam, as seeing what you missed will help you recognize which type of problems you are struggling with. See the links below to prior exams for common lower-division math courses at Purdue:

MA 158: https://weeklyjoys.wordpress.com/category/ma-158/
MA 161: https://www.math.purdue.edu/academic/courses/oldexams.php?course=MA16100
MA 162: https://www.math.purdue.edu/academic/courses/oldexams.php?course=MA16200
MA 166: https://www.math.purdue.edu/academic/courses/oldexams.php?course=MA16600
MA 261: https://www.math.purdue.edu/academic/courses/oldexams.php?course=MA26100

PIANO POP UPS

There are three free piano playing stations located under 10x10 tents across campus at 3rd & Jischke, the Bell Tower, and the PMU Breezeway. Pianos are first come, first serve and include Protect Purdue supplies. Pianos are available during the day and will be covered nightly/as needed for weather protection. Come visit a piano pop-up soon and either share your musical talents with the others or enjoy listening to members of Purdue’s campus community play while maintaining social distance.
