**PASE & THE CENTER FOR CAREER OPPORTUNITIES PRESENT**

**MOCK CAREER FAIR**

Practice networking with real employers.

Hop in line and get ready to network. Employers will be in attendance to give you feedback on how to make the best impression at a career fair.

• Learn how to navigate a career fair.
• Get guidance on your résumé.
• Business casual attire is suggested, especially for the professional photo.
• Learn how clothes can help you look the part.
• Get a professional photograph taken for your LinkedIn profile.

Practice before the real career fairs begin. Learn more at purduealumni.org/mockcareer
