Download the Purdue FSCL App Today!

We are excited to announce that at the beginning of the 2014-2015 school year the Purdue Fraternity, Sorority, and Cooperative Life office released a new app for the community. This app is available on the App Store and Google Play Store. The Purdue Fraternity, Sorority and Cooperative Life app is your one stop information source for individual chapters, recruitment/joining, community navigation and community events. The app allows users to view the FSCL calendar and provides contact information for each chapter. The app can be downloaded at https://play.google.com/store/apps/details?id=com.gocollegeapps.purduegreek or https://itunes.apple.com/WebObjects/MZStore.woa/wa/viewSoftware?id=908541180&mt=8

LEADERSHIP AND DEVELOPMENT

Indiana Greek Leadership Conference

Purdue University's Interfraternity Council, Multicultural Greek Council, National Pan-Hellenic Council and Panhellenic Association are hosting the 30th annual Indiana Greek Leadership Conference (IGLC) on Sunday, November 2nd, 2014 from 9:00am to 4:00pm in the Stewart Center. This conference is for members of Greek communities at colleges and universities throughout Indiana that are either current leaders within their organization/councils or are aspiring to hold leadership positions. The opening keynote speaker, TJ Sullivan, will be discussing how to motivate the members of your organization and the closing speaker is Odell Bizzell. Breakout session topics include how to have difficult conversations, ethical leadership, cross-cultural leadership, identifying strengths and weaknesses, and much more. Lunch is also provided. IFC and Panhellenic chapters are required to have at least 10% of their members present. A link for registration will be sent out very soon and you must pre-register. We are excited to announce that the fees have been reduced from $50 to $15. The NPHC and MGC councils will be discussing expectations for attendance at their next meeting.

New Member Orientation- October 19th

New Member Orientation brings together all of the new members from all 4 councils of Purdue's Fraternity & Sorority Life. The event is used to teach new members about many aspects of college life, fraternity & sorority life, and many more. Some of the main topics that will be covered are risk management, accountability, leadership development, and academics. The date for NMO this fall will be October 19, 2014. Rick Barnes will be coming from Campus Speak to give two keynote presentations, one at 1:00 p.m. and one at 2:30 p.m. Both of these will be at Loeb Playhouse. He will be giving his "Living the Dreams of Our Founders" keynote. There will be approximately 1000 new members from all four Greek councils in attendance. There will also be breakout sessions for students to choose which topics they want to learn more about. 95% of each chapter’s new member class and new member educator are required to attend.
Old Masters Program:
If you have seen the yellow buttons around campus worn by students you know exactly what that means.... it’s time for Old Masters again! The Old Master Program is one of the oldest programs here at Purdue dating back to the 1950s. The mission of the program is to inspire a diverse group of individuals to pursue a lifetime of personal development interactions with proven leaders by embracing tradition, uniting generations, and impacting tomorrow. This year the program starts on Sunday November 2nd to come hear the Old Masters talk about their success stories and Classroom talks to have an Old Master come and speak to your class. Please visit the Old Masters website at http://www.purdueoldmasters.org/ to look for more information!
**Gimlet:** Purdue Gimlet Leadership Honorary is one of the oldest organizations at Purdue. Dating back to 1922, Gimlet was formed as an all Greek booster club for Purdue athletics. Raising School Spirit at events and keeping Boiler Maker tradition alive through taking care of the Victory Bell and supporting athletic teams in any way they could. Originally Gimlet was comprised of the most school spirited and outgoing senior fraternity men on campus. Over the years it has turned into some of the most influential and driven leaders on campus from both fraternities and sororities. It is still easy to distinguish a Gimlet by their traditional uniform of Black Sweaters with a gold ‘G’ embroidered on them. Often recognized for their push-ups in the North End Zone of Ross Ade stadium, or leading a fan section at any other Purdue Athletic Event. As a unit Gimlet Leadership Honorary pledges to improve university athletics, create a heightened spirit of loyalty and be of general service to Purdue at all times.

UIFI: Purdue

UIFI: Purdue was held May 11-15th at Camp Tecumseh- YMCA. Purdue is one of the few universities to host a campus based UIFI program. 90 of Purdue’s fraternity and sorority current and emerging leaders attended a 5-day values based leadership institute. Over 60 chapters were represented. Participants experienced hands-on interaction, experiential activities, discussion time, and personal reflection time. They were given the skills to improve their leadership style, personal awareness, commitment to their fraternity or sorority, and grow to expect values based action from themselves and those they lead.

Panhellenic Recruitment Update

Panhellenic Recruitment was a great success! We welcomed 626 great women to our community! There were 17 chapters that participated in formal recruitment and there average chapter size was increased to 142. Ten chapters are participating in informal recruitment and have hosted events since mid-September. Most of these organizations have or will extend bids in the near future.
Alicia Gilbert
Assistant Director of Fraternity, Sorority, and Cooperative Life for Risk Management

Alicia Gilbert hails from Columbus, Ohio. She received her bachelor's degree in Sport Management from Bowling Green State University. After working in juvenile probation, Alicia went on to obtain her Master's in Student Affairs Administration in Higher Education. Alicia has served students in various capacities and has held the position of Assistant Director of Student Programs and Associate Director of Inclusion & Student Engagement. These positions included serving as the University Advisor for 3 Fraternity and Sorority Life Councils and six multicultural student organizations. Alicia is thrilled to join the Boilermaker family and work with the Fraternity, Sorority, and Cooperative organizations. Alicia has a love for dogs and her favorite quote is: "Today I shall behave as if this is the last day I will be remembered" Dr. Seuss. Fun facts about her:
1. She loves owls... a lot!
2. Alicia has been sky diving before.
3. She has met LeBron James.
Alicia invites individuals/organizations to reach out with any ideas for programming or collaboration regarding risk management education and looks forward to working with you all! Go Boilermakers!

Brittany Barnes
Assistant Director of Fraternity, Sorority, and Cooperative Life

My name is Brittany Barnes, and I have the pleasure of joining Brandon, Chris, and Alicia as the Assistant Director of Fraternity, Sorority, and Cooperative Life. I will be working primarily with the Panhellenic Association and Multicultural Greek Council, but I wanted to share with all of you a little bit about myself.
I received my undergraduate degree at Kent State University where I was an involved member of the sorority community and served on the Panhellenic Council. I am a recent graduate of the University of Iowa's Higher Education and Student Affairs Master's program and served as one of the graduate assistants for Fraternity and Sorority Life, working closely with chapter presidents, honorary societies, and officers on each of the four governing councils. I am also actively involved with the Standing Committee for Graduate Student and New Professionals' Ambassador program and the Novak Institute for Hazing Prevention. I also love the Miami Dolphins and Detroit Tigers, cooking large amounts of food, and watching live theatre. I'm excited to be a Boilermaker and have appreciated a very warm welcome from the Purdue community. Boiler up!
