

CHANGEMAKER **BOILER CHANGEMAKER**

The Boiler Changemaker Award recognizes:

IMON BANERJEE

Imon's nominator wrote:

Imon plays a critical role as the PGSG Senator. For many years now, graduate leisure rooms have been without a refrigerator or coffee machine. Imon took the initiative to survey the leisure rooms, and understand the need of graduate students.

He presented a successful application in front of the PGSG Grant Review and Allocation Committee to purchase 2 mini fridges and 2 coffee machines.

This purchase will benefit 87 graduate students who have their offices in the ground level and 5th level of the MATH building.

Thank you, Imon!

Do you know a grad student who is making big changes? Nominate them at: bit.ly/BCMAWARD
