

## Big Ten+ Grad Expo | College of Engineering Schedule

Considering Engineering for graduate school? You are in the right place! The 2020 Big Ten+ Grad School Expo is a Virtual Experience for students interested in STEM related disciplines.

### Sunday October 4th, 2020

This portion of the 2020 Big Ten+ Grad School Expo is a Virtual Experience for students interested in learning more about Engineering. At this Sunday Session you will be welcomed by the Purdue Engineering Office of Graduate Education and hear insights from our current Graduate Students.

*All times are in Eastern*
