THE LOUIS STOKES ALLIANCE FOR MINORITY PARTICIPATION (LSAMP) INDIANA
PURDUE UNIVERSITY
WEST LAFAYETTE, INDIANA

AND

THE LOUIS STOKES ALLIANCE FOR MINORITY PARTICIPATION
LSAMP INDIANA RESEARCH PROGRAM AWARD RECIPIENT

The Louis Stokes Alliance for Minority Participation (LSAMP) Indiana and student agree to work together to promote the successful completion of a baccalaureate degree in a designated STEM (Science, Technology, Engineering, and Mathematics) discipline while attending Purdue University, West Lafayette.

The student agrees to:

- select a qualified faculty mentor,
- develop a research abstract in an area of interest to the student and one that is supported by the mentor,
- prepare a Power Point presentation for the LSAMP Indiana Annual Research and Alliance Enrichment Conference,
- complete all project responsibilities and assignments as directed by the mentor,
- participate in LSAMP Indiana student activities,
- complete one approved community service project that promotes diversity, and
- submit information needed to complete all National Science Foundation (NSF) and LSAMP Indiana evaluations.

LSAMP Indiana agrees to:

- provide financial support to students as outlined in the student award letter,
- provide support to the student for successful completion of a STEM academic degree,
- when available, provide assistance to students who would like to present approved research presentations at LSAMP Indiana conferences,
- work with faculty mentors to help develop successful student/mentor relationships,
- coordinate activities to help students develop skills needed for academic success, and
- track students through their undergraduate and graduate/employment careers.

This agreement can be terminated at any time by either party. The student faculty mentor signature is only requested to insure that he/she acknowledges the LSAMP Indiana Research Program Memorandum of Agreement.
