College of Health and Human Sciences Alumni Award Nomination (continued)

Award Criteria

- Distinguished Alumni – HHS alumni working in his/her chosen profession for 10 or more years; significant career advancement; long-term leadership within his/her chosen profession; noteworthy professional accomplishments that reflect favorably on his/her profession, Purdue University and society. Letters of nomination should address significant career accomplishments such as results and impact of programs launched through the nominee's efforts, how the nominee has displayed leadership within his/her chosen profession, and/or the noteworthy contributions that makes him/her worthy of this award. Distinguished Alumni award recipients will be selected by the HHS Alumni Board Alumni Awards Committee with final approval by the Dean.
- Distinguished Service – HHS alumni or friend to the college; demonstrated leadership ability in the community through the development of/or significant contributions to private or public programs that improve or enhance the quality of life for individuals, families and communities. Letters of nomination should address how the nominee has made significant contributions to the advancement of the College and Purdue through personal or professional influence, service or financial support. Distinguished Service award recipients will be selected by the HHS Alumni Board Alumni Awards Committee with final approval by the Dean.
- Early Career Achievement Award – HHS alumni working in his/her chosen profession for 10 years or fewer; outstanding career development either through traditional channels or innovative approaches. Letters of nomination should address how the nominee has shown support for his/her profession; involvement in professional organizations, college alumni association or community activities. Early Career Achievement Award winners will be selected by the HHS Alumni Board Alumni Awards Committee with final approval by the Dean.

Nominees for Distinguished Alumni and Early Career Achievement Awards must have received one or more degrees from an HHS academic unit. Awardees must be present at the HHS Awards Dinner to receive the award. If they are unable to attend, the award will be held for one year.
