Do you have APHASIA?

Help us understand communication difficulties and recovery in aphasia.

- The study will take 1-8 sessions. Each session takes about 2 hours.
- You will be paid $20/session (additional $25 if your one-way commute is more than 50 miles).
- The study will take place at Purdue University (West Lafayette), Indianapolis, or at your residence.
- To be eligible, you should:
  - Have aphasia as a result of stroke
  - Have no history of other neurological diseases
  - Be a native speaker of English
