The committee met with Dean Underwood for introductions, and to discuss some concerns & ideas about

- Increase of administrative duties on faculty – “Shadow Work”
  ⇒ Concern will also be forwarded officially to Faculty Senate

- Increase of teaching obligations outside of child care hours

- Collecting resources for “Emergency Child Care” (e.g. list of babysitters, etc)

- Faculty Affairs Committee becoming more active in organizing additional resources for faculty support and development (e.g. invited talks, workshops)
  ⇒ Feedback would be welcome from faculty!
