

# **CAREER ADVISORY COUNCIL**

## **UPDATE**

**OCTOBER 30, 2019**

**Stephanie Farlow**

Assistant Director of Student Services / Director of Career Development

# CREATED JAN 2016

## STATEMENT OF PURPOSE

The **Career Development Advisory Council** consists of:

- Director of Career Development
- Associate Dean for Undergraduate Academic Affairs
- Unit appointed Faculty/Staff member
- Unit Academic Advisor

The council serves in an advisory capacity as liaisons to the dean and unit heads. The goal is to share career development embedded into majors and units as well as discuss improvements for the current career development of undergraduate students.

The area of career resources and development may include: internships/co-ops, career courses/curricula, job preparation, and further studies for graduate school and professional programs.
