

RESEARCH AIDE PROGRAM

POSITION AVAILABLE

FOCUS	Worker Safety and Health
DIVISION	Health, Safety and Environment
TIMING	Summer

Argonne National Laboratory, one of the U.S. Department of Energy's (DOE) major research centers, is pleased to announce opportunities for college and university graduate and undergraduate students to participate in the Laboratory's ongoing programs.

ABOUT THIS INTERNSHIP

This team partners and collaborates with all personnel to accomplish Argonne's mission safely by offering the following services:

- Assisting and advising Argonne's personnel with their responsibility to implement Argonne's Worker Safety and Health Policies and Procedures.
- Interpreting Federal, State and Local worker safety and health (WSH) regulations and consensus standards related to WSH and applying them as appropriate to the execution of Argonne's mission.
- Developing and maintaining Lab-Wide WSH policies and procedures to meet the requirements of our DOE contract.

These services are handled by personnel who specialize in at least one of two disciplines referred to as (1) Occupational Safety Services, and (2) Occupational Hygiene Services.

STUDENT REQUIREMENTS

Students seeking to apply to any of the ESH internship positions should have the following qualifications:

- Currently enrolled in occupational safety and health or radiological protection related program (ABET accredited preferred) full time and seeking a degree in an occupational safety and health or radiological protection field. Master students are eligible to apply.
- Completed one year of schooling and maintain a grade point average of 3.0 on a 4.0 scale.

Additionally, students seeking this opportunity should demonstrate in their application:

- A desire to learn about the broad disciplines of occupational safety and health such as occupational medicine, safety training, and safety information system, etc.
- A desire to participate in a dynamic and diverse work environment.

COMPENSATION

The salary range is based on academic rank, academic discipline, and prior experience.

HOURS

8:30 a.m. – 5:00 p.m.

Monday through Friday

Actual schedule will be determined upon hiring.

- The ability to be highly motivated, self-starting and seeking a future career in a safety profession.
- Ability to assist in difficult situations and keep composure and confidence
- Excellent written and oral communication skills.
- Attention to detail and willingness to participate in documenting of reviews, walkthroughs and meetings.
