*Interns not available for supervised practice at the hospital during Day at Statehouse or Renal Dialysis Clinic day.

Interns are not available for supervised practice during classes. Classes will meet from 8:30 am - 9:30 am (Eastern Time). **The interns are to report to their assigned facility following class unless noted otherwise on the calendar. Class meetings do not occur during the Community and Engagement rotations. Class schedule is tentative and may be revised.

Interns must successfully achieve all competencies assigned to the rotation at a satisfactory or higher level before advancing to the next rotation. 1200 hours of documented supervised practice hours required.
