

This week's (4/13/20) "Thumbs Up" go to:

**Bruce Bresnahan**

Bruce Bresnahan (Psychological Sciences): Thank you to Bruce Bresnahan, our manager of engineering and technical services in the Department of Psychological Sciences. He has gone above and beyond to assist me and all of our faculty, staff and students in preparing for and adjusting to working remotely, and has literally kept us going. He does all of this with kindness, compassion and a great deal of patience. We appreciate you, Bruce! – Nancy O'Brien (Psychological Sciences)
