PURDUE AUTISM RESEARCH CENTER

STUDENT AFFILIATE EVENTS
FALL 2021

Student-Only Meet and Greet
Thursday, September 9
3-4PM at Lavazza Patio
Get to know other students interested in autism research during this informal "meet and greet." Current and prospective PARC student affiliates are welcome to attend.

PARC Research Lab Showcase
Thursday, October 21
3-4 PM, WALC 3087
Hear PARC faculty and postdocs share info about their research programs. This is a great way to learn about projects affiliated with PARC and learn about current RA opportunities.

PARC Student Showcase
Thursday, November 11
3-4 PM, WALC 3087
This student-only event is a time to share and discuss PARC student affiliates’ research projects. Come to share, network, or simply celebrate your peers’ accomplishments.

DO YOU WANT TO JOIN PARC AS A STUDENT AFFILIATE?
