

PSY 390 Research Opportunity

Faculty member or graduate student

- Kipling Williams

Description of research area

- Our research focuses broadly on ostracism-ignored and excluded- and its consequences

Description of undergraduate participation

- Undergraduate participants may do any of the following:
 - Help with conducting research by serving as confederates in experiments
 - Create and test out Qualtrics surveys
 - Code data
 - Conduct literature reviews
 - Attend lab meetings

Research setting

- Currently all meetings are virtual but meeting locations can change as in-person restrictions are altered and lifted by the university.

Number of assistants needed

- 2-3

Contact information
