College of Health and Human Sciences
Early Career Research Achievement Award

**Eligibility:** Tenure-track faculty, who are 1) assistant professors or 2) associate professors who are no more than 2 years in rank at the time of nomination. The nominee must have been on faculty at Purdue for at least two years prior to nomination. A faculty member can only be recognized for this award once.

**Nomination:** Any tenured Associate or Professor can nominate. The unit Head must endorse the nomination and each unit can nominate only one individual. The nomination consists of:

- The cover page below, a letter of nomination
- At least two to five publications
- A vita not more than five pages.
- Letter of support from one external reference (not in your unit, but can be from campus)
- A one or two paragraph description or a website link with the credentials of the external reviewer.

**Criteria:** The college of Health and Human Sciences is recognizing research that goes beyond the candidate’s dissertation and demonstrates clear scientific/scholarly contributions as a result of work completed while a Purdue faculty member.

**Deadlines:** Nominations are due to the unit head by **October 14.** One nomination per unit is due electronically as one PDF through qualtrics at [https://HHS Fellowship_Award Submissions](https://HHS Fellowship_Award Submissions) by **November 4.**

**Evaluation:** The Health and Human Sciences Research Advisory Council as well as at least one Distinguished Professor will review the applications.

**Recognition:** The college awardee will present at the Fall Research Day, and will receive a monetary award of $1,000.
