## **Directions from Lafayette:**

1. Take Columbia St
2. This will take you through downtown Lafayette and across the bridge into West Lafayette.
3. Take the 3<sup>rd</sup> exit of the roundabout onto Tapawingo Drive.

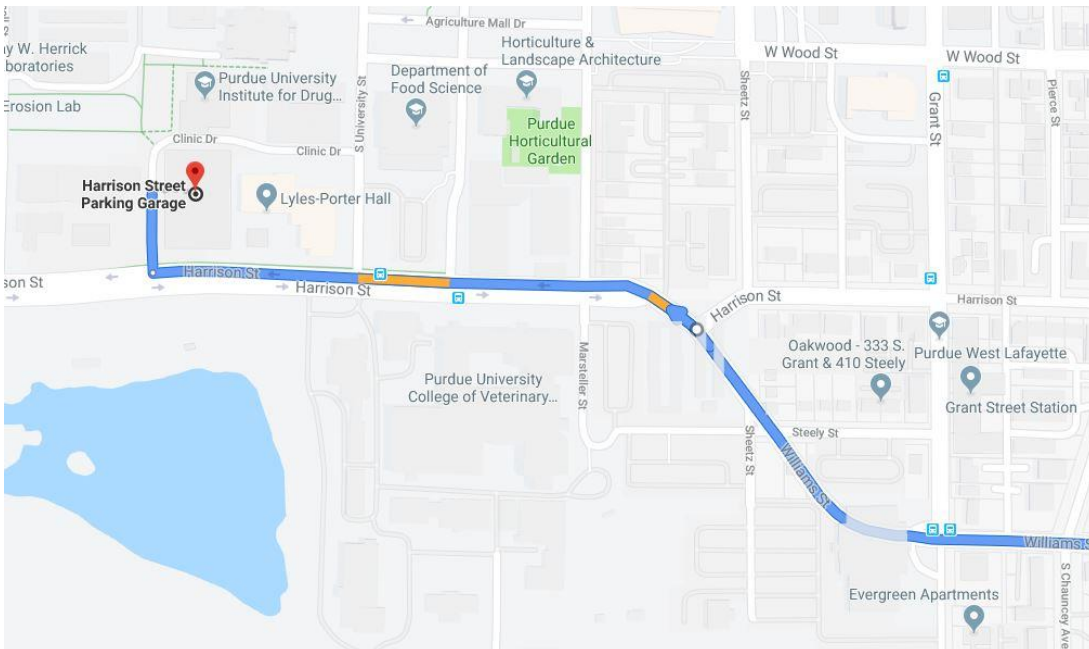

4. Continue on Tapawingo Drive until you get to the roundabout.
5. Take the 2<sup>nd</sup> exit of the roundabout onto Williams Street.

6. Follow Williams Street as it turns into Harrison Street.

7. Lyles-Porter Hall is located on the corner of Harrison Street and South University Street.

8. Drive straight through the stop sign and continue past Lyles-Porter Hall & turn right onto Clinic Drive.
9. Turn right into the parking garage. There will be a sign pointing to the parking garage.

- a. Prior to entering, you will get a parking ticket for the garage. Keep this ticket with you.
- b. Park anywhere that is **not** marked "A" Permit or University Vehicles Only. This includes handicapped spaces. It does not necessarily have to be in parking spots that have "SLHS & PPTRC Clinics Only" parking

signs if these spots are full, just as long as it's not in the restricted spots mentioned.

10. Enter the building from the parking garage. There is a sign that says "Lyles-Porter Hall" above the entrance to the building.
11. There are two sets of doors between the garage and the main hallway.
12. Follow this hallway to the main landing.
13. Check in at the clinic office; tell them that you are here for the Aphasia Research Lab, and that you parked in the parking garage. They will validate your parking ticket which you will use to exit the garage for free.
14. We will meet you in the waiting area
