

# Landscape Management Short Course

HOSTED BY PURDUE UNIVERSITY EXTENSION

This course has been requested as an approved Indiana Workforce Development Training program that reimburses employers for completing the course. More information can be found at <https://www.nextleveljobs.org/>

**The Landscape Management Short Course** is an immersive, condensed, intensive entry-level educational experience for personnel in the Green industry, as well as those with experience seeking best management practices in the areas of business and landscape management. Topics covered include diagnostic training, best management practices for pruning, planting, plant selection, weed control, hardscape installation and maintenance, and more! Marketing is also addressed, including offering tips and advice on making your organization stand out in a busy marketplace.

Dates

February 18-22

February 25-March 1
