Grace Moore and Robin Tribbett Attends The Garden Club of Indiana, Inc. Annual Scholarship Luncheon

Grace Moore and Robin Tribbett at the Garden Club of Indiana Annual Scholarship Luncheon

Grace Moore, a senior in Sustainable Food and Farming Systems, and **Robin Tribbett**, attended The Garden Club of Indiana, Inc. annual scholarship luncheon on Tuesday, April 26 in Columbus, Indiana. The Garden Club of Indiana, Inc. has been supporting students from Purdue and Ball State since 1958.

Dr. Jules Janick Receives the Purdue Ag Alumni Certificate of Distinction

Dr. Linda Prokopy and Distinguished Ag Alumnus Marvin Miller of Ball Horticultural present the Certificate of Distinction to Dr. Jules Janick at his home.

Dr. **Jules Janick** received the Purdue Ag Alumni ([link](#))'s Certificate of Distinction at the annual Fish Fry this past weekend. This award was in recognition of his close to 70 year long career in HLA and his significant contributions to the field of horticulture.

Video honoring Dr. Janick may be viewed here: [Jules Janick - 2022 Certificate of Distinction](#)

Abigail Fisher Places Second in the Spring Undergraduate Research Conference

Abigail Fisher (senior, LARC) poster entitled "Picture This: Reimagining Pictured Rocks National Lakeshore's Front Country" placed second in the College of Agriculture at the Spring Undergraduate Research Conference.

Congratulations to Jada Powlen

Congratulations to Jada Powlen for passing her oral prelim exam!

Purdue Student Farm Hosting Insect Collecting Workshop

The Student Farm will be hosting an Insect Collecting Workshop on Tuesday, May 10th at 10:00 am. Dr. Laura Ingwell and her lab will be running the workshop. Anyone is invited to attend but please contact Chris Adair (ctadair@purdue.edu) or Dr. Laura Ingwell (lingwell@purdue.edu) before the workshop to ensure that there will be enough supplies.

Strawberry Chat Episode 3

Spring Disease Management and Frost/Freeze Guidance

Special Guests:

Janna Beckerman
Professor
Botany and Plant Pathology
department
Purdue University

Austin Pearson
Climatologist
Midwestern Regional Climate
Center
Purdue University

Janna Beckerman and Austin Pearson are special guests for this episode. They talked about spring disease management and frost/freeze guidance. Visit <https://anchor.fm/strawberrychat> to listen to this and previous episodes

Strawberry Chat is a virtual program about strawberry production at small and diversified farms in Indiana. This program is hosted by Wenjing Guan and Miranda Purcell.

It is the policy of the Purdue University that all persons have equal opportunity and access to its educational programs, services, activities, and facilities without regard to race, religion, color, sex, age, national origin or ancestry, marital status, parental status, sexual orientation, disability or status as a veteran. Purdue is an Affirmative Action Institution. This material may be available in alternative formats.

Strawberry Field Day

A strawberry field day will be held at Southwest Purdue Ag Center, Vincennes, IN 47591. May 12, 2022, 1:30-4:00 pm. **Steve Meyers, Miranda Purcell** and **Jeanine Arana** will participate in the field day.

STRAWBERRY FIELD DAY

Strawberry Field Day & Open House

Thursday, May 12, 2022, 1:30-4:00 pm EST

Southwest Purdue Ag Center,

4369 N. Purdue Road Vincennes, IN 47591

The tour is free, register
https://purdue.ca1.qualtrics.com/jfe/form/SV_dqK5N8Ws9m2cJWC
or call 812-886-0198

If you have any questions, please contact
Wenjing Guan (guan40@purdue.edu)

- Visit strawberry research at Southwest Purdue Agriculture Center; see strawberry production on a plastic culture system, in high tunnels, and in bench systems.
- Discuss season extension in strawberry production, and understand challenges faced by each production system.

This Strawberry field day is sponsored by Purdue University and North-Central Sustainable Agriculture Research and Education (NC-SARE). Project number LNC21-454.

Purdue University is an equal opportunity / equal access / affirmative action institution.
