Extension Publication Receives ASHS Award

HLA Learning Community Gathers, Donates Fresh Apples to Pantry

On Monday, the **HLA Learning Community** consisting of first-year students from different majors in our department went to Meigs Farm and picked a giant box full of apples to be donated to a local food pantry.

Extension bulletin HO-330 "Scheduling Fall and Winter Production in High Tunnels" by **Liz Maynard**, Dana Hilfinger, and Michael O'Donnell, received an Outstanding Factsheet Award from the American Society for Horticulture Science Extension Division at the August 2023 ASHS annual meeting.

HLA Graduate Students Explore Exploration Acres

HLA graduate students spent last Sunday exploring the corn maze and other activities at Exploration Acres.

Pinney Purdue Picks Pumpkins, Providing Pantries

Volunteers loaded pumpkins from plots at Pinney Purdue and took them to Hilltop House and other food pantries serving NW Indiana.

Good Thyme Gang Faced the Golden Girls This Week

Our team **Good Thyme Gang** played against **The Golden Girls** Monday afternoon at Mike Aulby's Arrowhead Bowl for Week 8 of the Purdue Staff and Students league. We won 2 out of 8 points keeping the team in 10th place.

No placements this week.

We are still recruiting substitutes!

We bowl 3 games on Monday nights at 6:30pm. All Purdue faculty, staff, students, and retirees are welcome. If you would like to bowl with us for a session during the season, please email **Alexandra Jewell** at jewell4@purdue.edu.

Hydroponics Workshop

Purdue Hydroponics Workshop Announcement

Crop Production in Organic Hydroponic Systems
October 25, 2023
Time: 8 am-noon
Location: Daniel Turf Center, 1340 Cherry Ln, West Lafayette, IN 47907

Hydroponically-grown crops can receive USDA organic label if standard guidelines for organic production are followed. Organic label may fetch premium price for crops grown in hydroponic systems. The topics for workshop include fertilizer recipes, consumer preferences, managing diseases, and food safety standards in organic hydroponic systems.

Registration fee is \$20 per person (No fees required for Purdue students. Contact Lori JollyBrown)
