S T O R Y & P R A C T I C E S

We are studying

**How experiences of past extreme weather events influence present-day farming decisions?**

## What to expect?

- **Interview length:** 45-60 min
- **Format:** In-person
- **When?** Flexible scheduling to suit your availability.
- **Topics:** Your farming experiences with past weather challenges, how you've adapted, and your thoughts on future farming.

Participants will receive \$100 as a token of appreciation.

## Project Supervisors

*Dr. Linda Prokopy*

Professor & Department Head, HLA  
lprokopy@purdue.edu

*Dr. Aaron Thompson*

Associate Professor, HLA  
awthomps@purdue.edu

## Interested?

**For more information, contact**

*Shivika Aggrawal*

PhD student, HLA  
saggraw@purdue.edu

## Why participate?

**Your knowledge is valuable** in understanding how farming communities navigate weather challenges and build strength through generations of knowledge and practices.
