VIRTUAL Mini Pollinator Day 2021

April 24th from 9a.m.-12:30p.m.

at

<https://www.sunnysidemg.org/pollinator-day>

This Virtual Mini Pollinator Day will have webinars where we discuss different pollinators and how to help them. During this event we will also be kicking off our Citizen Science Project for the area that will help us determine what kind of pollinators we see in our area.

For more information call 812-948-5470 or email gmanders@purdue.edu

Webinars:

9a.m. Beekeeping 101 with Roger Thomas (Sunnyside Master Gardener and beekeeper)

10a.m. How to Create a Great Backyard with Amanda Thomsen (Kiss My Aster)

11a.m. Not Just Nectar: Pollinator Pointers for the Home Landscape with Troy Durham (local horticulturist)

12p.m. Seed Saving with Sunnyside Master Gardeners

12:15p.m. Sunnyside IN Pollinator Project 2021-Citizen Scientist
