“The Hospitality Center”

Garden Crafts

Here you will find unique items for the garden. Every year Master Gardeners share their talents by producing hand-crafted items for sale during the Garden Tour, meaning you'll find something different every year. You'll find garden signs, wind chimes, sachets, soaps, creative planters, fairy garden pieces, hand-thrown pottery, cement sculptures and stepping stones, bird houses and feeders and more. All merchandise is aimed at pleasing the gardener, both indoors and out. Garden lovers are sure to find something different—something special for your home or garden.

Educational Exhibits

Due to social distancing requirements at the Hospitality Center, educators will not be available for 2021 ONLY. We look forward to having educators return to us for next year on June 25th, 2022.

My green thumb came only as a result of
the mistakes I made while learning to see things
from the plant's point of view. ~H. Fred Ale

Plant Sale

An extensive selection of plants, all grown by Master Gardeners, will be offered for sale in a socially-distanced setting. Selections range from perennials for sun and shade, annuals, grasses, herbs, wildflowers, aquatic plants and much more.

Refreshments

Complimentary bottles of water will be offered as you leave the Hospitality Center. Masks are required to be worn at all times in the Hospitality Center.

Master Gardeners for Q & A

Master Gardeners will be on hand to discuss any garden interests or concerns that you might have. Information on Elkhart County's Master Gardener Program will also be available.

Please Note! To help reduce potential traffic congestion, it is not necessary to start at Garden #1. You may take the tour in any order you please.

The proceeds from the Michiana Master Gardeners' Annual Garden Tour support a variety of projects: Community Garden's "Plant a Row for the Hungry" program produces approximately 1,000 pounds of produce annually which is donated to Church Community Services; a scholarship totaling \$2,000 is awarded to a Purdue University Agricultural Education student.

Thousands of hours are volunteered by Master Gardeners to provide a Speakers' Bureau, free educational seminars during the Garden Tour, during the Elkhart County 4-H Fair, and throughout the gardening season, the Answer Line is at the Farmers Market in Goshen.

Tickets may be purchased online IN ADVANCE at our website, www.michianamastergardeners.com Online tickets \$11 through midnight Thursday, June 24th.
