

Accident Insurance

Enrollment at a glance

For the employees of: Purdue University

What is Accident Insurance?

Accident Insurance pays you benefits for specific injuries and events resulting from a covered accident that occurs while you are not at work, on or after your coverage effective date. The benefit amount depends on the type of injury and care received. You have the option to elect Accident Insurance to meet your needs. Accident Insurance is a limited benefit policy. It is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.

Features of Accident Insurance include:

- **Guaranteed issue:** No medical questions or tests are required for coverage.
- **Flexible:** You can use the benefit payments for any purpose you like.
- **Portable:** If you leave your current employer or retire, you can take your coverage with you.

How can Accident Insurance help?

Below are a few examples of how your Accident Insurance benefits could be used:

- Medical expenses, such as deductibles and copays
- Home healthcare costs
- Lost income due to lost time at work
- Everyday expenses like utilities and groceries

Who is eligible for Accident Insurance?

- **You**—All active employees working 20+ hours per week.
- **Your spouse***—If you have coverage on yourself, you may enroll your spouse, as long as your spouse is not covered under your employer's plan as an employee. Your spouse will be covered for the same Accident benefits as you are.
- **Your children****—If you have coverage on yourself; your natural children, stepchildren, adopted children or children for whom you are a legal guardian; are eligible to be covered under your employer's plan, up to the age of 26. Your children will be covered for the same Accident benefits as you are and one premium amount covers all of your eligible children. If both you and your spouse are covered under this policy as an employee; then only one, but not both, may cover the same children for Accident Insurance. If the parent who is covering the children stops being insured as an employee, then the other parent may apply for children's coverage.

*The use of "spouse" in this document means a person insured as a spouse as described in the applicable rider. Please contact your employer for more information.

**The definition of "child" may vary by state. Please contact your employer for more information.
