AD&D BENEFITS

We will pay an AD&D benefit (refer to the SCHEDULE OF BENEFITS) if a Covered Person receives any of the services or meets any of the conditions described below as the result of Injuries received in a Covered Accident. The Injury must occur, and the loss resulting from the Injury must begin, while the Covered Person is covered under this rider.

Accidental Death: Injuries received in a Covered Accident cause a Covered Person's death within 90 days after the Covered Accident. Your benefit is payable to your named Accidental Death beneficiary. If there is no named beneficiary, benefits will be paid according to the BENEFIT PAYMENTS provision in the Certificate. Your Spouse's and Child's benefit is payable to you. Note: No Accidental Death benefit is payable if the Covered Person is eligible for the Common Carrier benefit.

Common Carrier: Injuries received in a Covered Accident while a Covered Person is a fare paying passenger in a Common Carrier cause the Covered Person's death within 90 days after the Covered Accident. Your benefit is payable to your named Accidental Death beneficiary. If there is no named beneficiary, benefits will be paid according to the BENEFIT PAYMENTS provision in the Certificate. Your Spouse's and Child's benefit is payable to you.

Dismemberment: A benefit is payable to you if a Covered Person's loss (as described below) occurs within 90 days after a Covered Accident. The benefit amount varies based on the loss (refer to the SCHEDULE OF BENEFITS). The types of eligible loss under this benefit are limited to the following:

- Loss of both hands.
- Loss of both feet.
- Total and permanent loss of sight in both eyes.
- Loss of one hand or one foot AND permanent loss of sight in one eye.
- Loss of one hand AND one foot.
- Loss of one hand OR one foot.
- Loss of two or more fingers or toes.

"Loss" means the physical loss of:

- A foot: the foot is removed through or above the ankle joint.

- A finger: the finger is removed at the joint proximate to the first interphalangeal joint where it is attached to the hand.

If a Covered Person loses a finger or toe and within 90 days as the result of the same Covered Accident loses a hand or foot on the same side of the body, the benefit amount payable for the loss of the finger or toe will be subtracted from the benefit payable for the loss of the hand or the foot.

If an Accident benefit is payable after laceration repair of a finger, toe, hand, foot or eye and that body part is later lost due to the same Covered Accident, the amount of the laceration repair benefit will be subtracted from the dismemberment benefit.
