What is Hospital Indemnity Insurance?

Hospital Indemnity Insurance provides a fixed daily benefit payment if you have a covered stay in a hospital, critical care unit or rehabilitation facility beginning on or after your coverage effective date. You have the option to elect Hospital Indemnity Insurance to meet your needs. Hospital Indemnity Insurance is a limited benefit policy. It is not health insurance and does not satisfy the requirement of minimum essential coverage under the Affordable Care Act.

Features of Hospital Indemnity Insurance include:

- **Guaranteed issue:** Pre-existing condition exclusion may apply.
- **Flexible:** You can use the benefit payments for any purpose you like.
- **Portable:** If you leave your current employer or retire, you can take your coverage with you and select from a variety of payment plans.

How can Hospital Indemnity Insurance help?

Below are a few examples of how your Hospital Indemnity Insurance benefit payment could be used (coverage amounts may vary):

- Medical expenses, such as deductibles and co-pays
- Travel, food and lodging expenses for family members
- Child care and everyday expenses like utilities and groceries

Who is eligible for Hospital Indemnity Insurance?

- **You:** All active employees working 20+ hours per week.
- **Your spouse:*** If you have coverage on yourself, you may enroll your spouse. The coverage amounts for your spouse are the same as your coverage amounts.
- **Your children:**** If you have coverage on yourself, you may enroll your eligible children up to age 26. One premium amount covers all of your eligible children. If both you and your spouse are covered under the policy as employees, then only one, but not both, may cover the same children for Hospital Indemnity Insurance. If the parent who is covering the children stops being insured as an employee, then the other parent may enroll for children's coverage. The coverage amounts for your children are the same as your coverage amounts.
- **Your newborn children**
 - When existing child coverage is effective prior to birth:
 - Benefits for newborns are the same as for any other child.
 - When child coverage **is not** effective prior to birth:
 - No benefits are payable.

*The use of "spouse" in this document means a person insured as a spouse as described in the certificate of insurance or rider. Please contact your employer for more information.
