Purdue University Benefits Summary

This summary provides a high-level overview of many of the key benefits valued by Purdue faculty and staff. Most benefits are effective with the first day of employment and are offered on a calendar-year basis.

You can find important benefit eligibility information at <http://www.purdue.edu/hr/Benefits/currentEmployees/employeeBenefits/benefitsEligibility.html>. Additional information about all benefits is available at <http://www.purdue.edu/benefits>.

Medical/Prescription

Purdue offers three medical plan options, allowing you to choose the plan that's best for you and your family. Plan options include: a traditional PPO plan with a deductible/coinsurance structure and two high deductible health plans (HDHP) with health savings accounts (HSA). A summary comparison of the three plans is provided at <http://www.purdue.edu/hr/Benefits/currentEmployees/Medical/employeeCosts.html>.

One nationwide network of preferred providers serves all three plans.

Prescription coverage is provided with all medical plans. Benefit details can be found at <http://www.purdue.edu/hr/Benefits/currentEmployees/Medical/rxCoverage.html>.

Your premium is based on which of the three plans you choose and whether you cover just yourself or also cover family members, and the salary tier that is appropriate for you. A premium chart is available at <http://www.purdue.edu/hr/Benefits/currentEmployees/Medical/ContributionChart.html>.

*Note: J-1 Visa holders have special provisions regarding medical coverage, please contact Purdue HR Customer Service for the J-1 Visa medical plan option.

Dental

Dental coverage is offered through Anthem Dental. The University provides a preventive dental benefit to employees and eligible dependents. Additionally, two "buy-up" plan options are available for supplementary coverage. One plan requires use of in-network dentists. The second allows more choice in selection of dental providers. For more information, visit <http://www.purdue.edu/hr/Benefits/currentEmployees/dentalVision/dental.html>.

Vision

Vision coverage is provided through Vision Service Plan (VSP) for all benefits-eligible employees. In addition, all family members covered on a Purdue medical plan are automatically covered. Vision premiums are included as part of the medical plan premiums. For more details, visit <http://www.purdue.edu/hr/Benefits/currentEmployees/dentalVision/vision.html>.

Flexible Spending Accounts

The flexible spending account (FSA) program lets you pay for specific, IRS-allowed expenses using tax-free money. Any amount you elect annually is available to reimburse you for qualifying health care, vision, dental and/or dependent care expenses you experience during the calendar year. For more details, go to <http://www.purdue.edu/hr/Benefits/currentEmployees/hsaFSA/fsa.html>.

Retirement

The University has four basic retirement plans that are administered by Fidelity Investments. For additional information, visit http://www.purdue.edu/hr/Benefits/currentEmployees/retirement/retirement_plans/PMRS.html.

Base Retirement Plan

403(b) Non-Exempt Defined Contribution:

Purdue provides a contribution equal to 4 percent of pay on your behalf to the Purdue University 403(b) Non-Exempt Defined Contribution plan for non-exempt staff. This serves as the "base plan" for benefit-eligible clerical/service and operations/technical staff. You are enrolled to contribute 5 percent from your pay automatically on a pre-tax basis to the 403(b) Voluntary Savings Plan with the option to increase or decrease. The University will also match up to 4 percent of your 403(b) Voluntary Savings Plan contributions. You are vested in Purdue's contributions to your plan after three years of service.

Voluntary Savings Plan Options

403(b) Voluntary Savings Plan: This plan allows you to put aside additional pre-tax retirement savings, up to the annual IRS limits. (For 2018, the limit is \$18,500. Employees age 50 or older may contribute \$6,000 more.) A ROTH component allows you to make after-tax contributions. Funds are immediately vested and are available when you reach age 59½, retire or stop working at Purdue.

457(b) Deferred Compensation Plan: This plan allows you to put aside additional pre-tax retirement savings, up to the annual IRS limits. (For 2018, the limit is \$18,500. Employees age 50 or older may contribute \$6,000 more.) Funds are immediately vested and are available when you retire or stop working at Purdue.

Life Insurance

The University provides a basic level of term life insurance equal to 1½ times your salary, up to \$500,000. Additional term life coverage is available for employees, spouses and children. The University also provides a basic level of accidental death and dismemberment insurance (AD&D) of \$15,000. Additional coverage is available for employees, spouses/same-sex domestic partners and children. More information regarding life insurance coverage is available at <http://www.purdue.edu/hr/Benefits/currentEmployees/lifeAndAccidentInsurance/index.html>.

Disability

The long term disability (LTD) program replaces your income during times when you cannot work due to illness or injury. The coverage begins immediately, with you and Purdue each paying half the cost. The plan pays 65 percent of your base pay in the event of disability that lasts more than six months. A one-year pre-existing condition clause applies. More information on the LTD program is located at <http://www.purdue.edu/hr/Benefits/currentEmployees/disability/ltd.html>.

Voluntary Benefits Program

Purdue's Voluntary Benefits Program connects employees to insurance carriers who offer an array of employee-paid benefits. The program offers the value of group rates and, in most cases, the convenience of payroll deduction. You can find more information on each of the benefits listed below by visiting <http://www.purdue.edu/hr/Benefits/currentEmployees/employeeBenefits/benefitsEligibility.html> and selecting "Additional Purdue Employee Benefits".

Accident Insurance - Helps protect you and your family from the costs of unexpected accidents. Includes benefits for initial care, injuries, hospitalization, follow-up care, transportation and lodging.

Auto and Home Insurance - Offers auto and home coverage, plus a wide range of other property and casualty insurance products.

Critical Illness Insurance - Pays a lump sum benefit if you're diagnosed with a covered critical illness, such as heart attack, cancer or stroke.

Long Term Care Insurance - Designed to help reimburse charges for care you may need if you are chronically ill. Covers care received in a nursing or assisted living facility, at home, or in community settings such as adult day care centers.

Pet Insurance - Helps pay for your pet's treatments, surgeries, lab fees, X-rays and more.

Pre-paid Legal Services - Provides unlimited access to attorneys at an affordable monthly rate.

Universal Life Insurance - Provides life insurance with long term care benefits. Universal life insurance expands family life insurance protection during working years and provides full living benefits during retirement.

Paid Leave Benefits
