\*\*\*\*Debit card may be used when a person owns more than one account (regardless of whether they are participating in the account concurrently) and funds will be withdrawn (medical, prescription, vision, dental, dependent care) generally in the following order: LPFSA > DCFSA > HSA; DCFSA > HSA; FSA > DCFSA > HRA

Note: If a person has an HRA along with an inactive HSA with HSA Bank through Purdue (such as an HSA from a former election which they aren't currently participating in) the card will only withdraw from the HRA. The account owner would be able to access their HSA funds by withdrawing them or requesting reimbursement for eligible expenses.
