## THE CENTER FOR HIP & KNEE SURGERY

was the first dedicated total joint replacement facility in Indiana  
among the best patient satisfaction scores in the United States

recognized as an industry leader in research, helping to transform  
the joint replacement industry with our surgeons having presented  
speeches and research papers both nationally and internationally

has physicians on Indiana's list of Top Doctors the last several years

served patients in all 92 Indiana counties, all 50 states and numerous  
countries around the world

hosted numerous surgeons from around the world who are part of  
the prestigious John T. Insall Traveling Fellowship Program

## OUR TEAM OF HIGHLY SKILLED SURGEONS

has over 90 years of combined experience, including national and  
international leadership roles

has performed over 45,000 joint replacements since 1986

perform an average of 2,500 joint replacements per year

has exclusive memberships in the Knee and Hip societies and the  
European Hip Society

participated in Operation Walk, a not-for-profit volunteer medical  
services organization that provides free surgical treatments for  
patients in developing countries and in the U.S.

limit their practice to hip, knee and shoulder replacement procedures
