

# Experian's uConfirm® Employee Portal Access

uConfirm provides secure employment and/or income information to our credentialed verifiers (mortgage companies, lenders, pre-employment screeners, etc.) on behalf of your employer. You may view and control access to your employment and income information using uConfirm's employee portal.

## How to Register:

- 1** Visit <https://apps.uconfirm.com/uc/ee/eelogin>  
Choose **Create an Employee Account**
- 2** Enter the following:
  - Purdue University Access Code: **44385186**
  - Full Social Security Number
  - Full Name
  - Date of Birth
  - Work (preferred) or Personal Email Address
- 3** Click **Create an Employee Account**. A password link will be sent to your email address. Click the link to create a password and activate your account.
- 4** Log in with your credentials

The screenshot shows the registration process in three steps:

- Step 1:** The login page with fields for Email Address and Password. A yellow arrow points to the "Create an employee account" button.
- Step 2:** The "Contact Information" form. Fields include Employer access code (45D8EA2), Name (Jane Doe), SSN/SIN/ID (123456789), DOB (01/01/1991), Email Address (jane.doe@company.com), and Verify Email Address (jane.doe@company.com). A yellow bracket groups these fields.
- Step 3:** The "Verification" section showing a CAPTCHA image (e77c3) and a "Type code shown above" field (e77c3). A yellow arrow points to the "Create Employee Account" button.

Additional text on the page includes: "Thank you for using uConfirm. Simply complete the Employee Registration form below. For your security, please only register using a secure, private computer. After clicking the CREATE EMPLOYEE ACCOUNT button, you will be sent an e-mail containing a link to setup your password and login information. After you log in, you will be able to request your employment and salary information from the uConfirm system." and "I agree to the terms of use. Click here to view the terms of use agreement."
