

Talk to a local doctor anytime

OC24health gives you 24/7/365 access to U.S. board-certified doctors through the convenience of phone, video or mobile app visits. It's an affordable option for quality medical care.

1

Talk to an Indiana-based, board-certified doctor.*

2

Receive quality care via phone, video or mobile app.

3

Prescriptions are sent to pharmacy of choice if medically necessary.

4

OC24health is less expensive than the ER or urgent care.

5

Physicians are able to refer to high quality and lower cost specialist if needed.

6

You can be assigned a Primary Care Physician (PCP) if you don't already have one.

GET THE CARE YOU NEED

Our doctors can treat many medical conditions, including:

- Cold and flu symptoms
- Allergies
- Pink eye
- Ear infection
- Respiratory infection
- Sinus problems
- Skin problems
- And more!

With your consent, we're happy to provide information about your visit to your primary care physician.

Speak with a doctor now!
