The goal of University Residences is to develop living environments that value learning opportunities and personal growth and development. Residence Hall staff will provide tips for parents to build healthy connections and help their student develop life skills. Dining staff will explain meal plans and dining court options. Purdue Dining & Catering also has opportunities for students looking for a paycheck, real-world experience and a flexible schedule!

Residential Life at Purdue University

August 2017

By: Lee D. Morrison, Associate Director
"Every child deserves a champion: an adult who will never give up on them, who understands the power of connection and insists they become the best they can possibly be."

- Rita Pierson, Educator
Our Staff

- Resident Assistants (RA)
- UR Global Peer Educator
- Staff Residents (SR)
