We empower
gender-diverse
people and
their loved ones
to live healthy,
authentic, and
joyful lives.

Since 2014, GenderNexus has served
Indiana as a safe, inclusive space for
gender-diverse people and their loved ones
to find the support they need.

Our Services

Whether you're navigating a legal name change or looking for a community that understands you, we can help.

Services for our clients are 100% free, always.

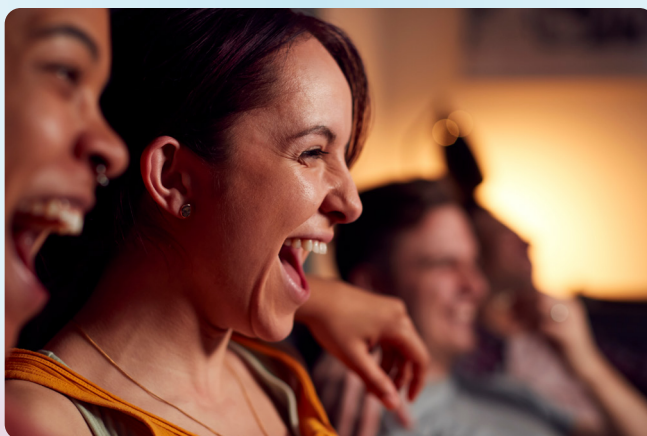

Social Services & Resources

Get help navigating the tricky legal processes surrounding legal name and gender marker changes, securing medical referral letters, or finding LGBTQ+ friendly doctors and resources.

Awareness & Education

Bring us to your school or workplace for a seminar-style training that spreads awareness and understanding of gender-diversity and fostering inclusive spaces.

Community Groups & Counseling

Join one of our safe, inclusive community groups for gender-diverse people and their loved ones, or come in to talk to a licensed counselor one-on-one.

No matter where you are in your journey, we can help. Talk to us today.
