

## Activity Weighting Rubric

The next page contains the Activity Weighting Rubric, which can be used to determine how many points participants can receive per activity.

All activity types have an area limit of 1.

Activities required for the ME core curriculum do not count towards program completion.

\*Participation in seminars, workshops, and campus activities can be combined.

Ex: 1 hour seminar + 1 hour cultural center event = 1 point

# Activity Weighting Rubric

| Type  | Description  | Points | Point Limit |
|---|--|--------|-------------|
| <b>Seminar</b>                              | Attend a professional seminar (at least 2 hours in length). Not for credit, participation not required.  | 1      | 1           |
| <b>Group, club, organization, committee</b> | Involvement in an on or off-campus group for at least 1 semester. An extra point can be earned if a leadership role is held.                     | 1-2    | 2           |
| <b>Career Development</b>                   | Attend a career development event such as a career fair, interview (real or mock), or job shadow.  | 1      | 1           |
| <b>Course</b>                               | Outlined Purdue courses can count as long as they relate to the student's PDP. Additional courses can be pitched to LDP panel and coordinator.   | 2      | 2           |
| <b>Cultural Experience</b>                  | A study abroad or intercultural study-away experience (domestic). Points earned correspond to length of time: 1-2, 3-6, 7-12+ weeks.             | 1-3    | 3           |
| <b>Professional Development</b>             | Attend a leadership or professional skills development conference or symposium for at least 1 day.   | 1      | 1           |
| <b>Leadership Retreat/Training</b>          | Participate in a leadership retreat or training for at least 1 day.  | 1      | 1           |
| <b>Workshop*</b>                            | Workshop must be related to leadership or professional skills development, at least 2 hours in length and requires participation from attendees. | 1      | 1           |
| <b>Volunteer Experience</b>                 | Must be outside a class and not required for a student organization or Purdue course. 20 hours = 1 point, 40 hours = 2 points.                   | 1-2    | 2           |
| <b>Conference</b>                           | Attend a regional, national, or international 1+ day conference. Additional point can be earned if presenting (poster included).                 | 1-2    | 2           |
| <b>Mentor</b>                               | Serve as a mentor in a recognized program for at least 1 semester.   | 2      | 2           |
| <b>Research Team</b>                        | Paid or unpaid, for credit or not for credit. At least 10 hours a week participating on a research team for at least 1 semester.                 | 2      | 2           |
| <b>Research Development</b>                 | Publish a journal article in a peer reviewed journal, or present at a professional conference/symposium.   | 2      | 2           |
| <b>Internship</b>                           | Lasting at least 1 semester, can be paid or unpaid, for credit or not for credit.  | 2      | 2           |
| <b>Employment</b>                           | A paid position of at least 20 hours a week. Supervisory roles gain additional point.  | 1-2    | 2           |
| <b>Campus Activities*</b>                   | Participate in an organization or cultural center event on-campus for at least 2 hours. Not required for ME core curriculum.                     | 1      | 1           |
| <b>Toastmasters</b>                         | Participate in a half or full semester of Toastmasters meetings.   | 1-2    | 2           |
