1. Bring your ‘A’ Game

During the semester, students attend the in-person or virtual tutorial sessions hosted by MEP as well as submit exams, projects, and HWs. They receive value points for attending the sessions and their submissions. The top 3 students with the highest cumulative value points by the end of the final’s week wins an award.

Rules:

a. Classes that qualify must be minimum of 3 credits within STEM, offered by Purdue Main Campus.

b. Submission through Qualtrics form
   https://purdue.ca1.qualtrics.com/jfe/form/SV_eKwC4zN3vnDopPU

c. Awards will be presented at the end of the semester.

Scoring Criteria:

a. Attending In-Person or Virtual Tutorial Sessions: 5 point/session
   b. Sessions must be attended in the presence of a tutor.
   c. Video must be turned on for the duration of the virtual session. Session will be considered invalid if the video camera is turned off.

b. Exam submissions
   a. 10 points/Grade A
   b. 5 points/Grade B
   c. No more than 3 exam submissions per class

c. Project submission
   a. 6 points/Grade A
   b. 3 points/Grade B
   • Full points for individual projects; fraction of total points, based on # of group members, for group projects
   • Not more than 3 Project submissions per class.

d. HW submissions (max 25 submissions total, not more than 8 per class):
   a. 2 points/Grade A
   b. 1 point/Grade B

e. Unless specified by the instructor, score >= 90% is considered as A and a score between 80-89.99% is considered as B for receiving value points.
