An Evening with Josie Totah

Thurs, April 11 | 6:30 pm | PMU East and West Faculty Lounges

Totah is an actress known for her recurring role on the Disney Channel series "Jessie" and her starring role on the 2013 ABC comedy series "Back in the Game." Totah received critical praise for her role as Justin in the 2016 film "Other People." In 2018, she starred in the short-lived NBC comedy "Champions." Totah will share insight about her experiences as a child actress, her adjustment to college, and coming out as transgender in an Aug. 20, 2018, Time article, "[My Name is Josie Totah – And I'm Ready to Be Free.](#)" Sponsored by the Purdue LBGTQ Center

AGEP Scholar Program Callout - Spring 2019

Application deadline: April 15

The Alliance for Graduate Education & Professoriate (AGEP) program objective is to significantly increase the number of domestic students receiving doctoral degrees in the physical sciences, social and behavioral sciences, biological sciences, technology, engineering, and mathematics, with special emphasis on those population groups underrepresented in these fields (e.g., African Americans, Hispanics, American Indians, Alaska Natives, Native Hawaiians or other Pacific Islanders). In addition, AGEP is particularly interested in increasing the number of minorities who will enter the professoriate in these disciplines.

CARE Educational Ambassador (n):

Passionate student who
advocates for a violence-free
community through educating
their peers

Apply to be a CARE Educational Ambassador

Application deadline: April 15

CARE Educational Ambassadors are a select group of students who are dedicated to promoting educational programming and awareness about CARE to the Purdue community. Educational Ambassadors have the vital role of facilitating programming about sexual violence prevention and education to make this community safer for all members. [Click here](#) to apply. Professional Opportunities

Horizons Fellowship

Fully-funded technology immersion fellowship for top university students from around the world. Our programs are open to students of any year and any major – we encourage candidates with diverse backgrounds and interests to apply!

Distinguished Young Scholars Seminar Series

University of Washington in Seattle | Application Deadline: May 17

This summer seminar provides top early career chemical engineers, and those in related fields, the opportunity to present an hour-long research seminar and gain critical interviewing skills. We view it as a service to the profession and an opportunity for our graduate students and postdocs to see the best of the best in their peer group. Women and other underrepresented persons in chemical engineering are encouraged to apply for this opportunity and note that there is no limit to the number of applications from any particular department. All travel expenses provided, and the top speaker of the series (as judged by the audience of UW chemical engineering graduate students) will receive a \$500.00 prize.
