# PURDUE OWL APPOINTMENTS

**WALK-INS WELCOME EVERY WEDNESDAY AT THE  
NAECC FROM 1:00PM - 3:00PM**

## WHAT CAN THE PURDUE OWL HELP YOU WITH?

Thousands of Purdue students, especially good writers, come to the OWL because they know it's useful to talk about what they're writing and to get some feedback. Writers bring in papers from courses in biology, engineering, political science, technology, communications, and many other courses besides English. They also come in to work on resumes and job applications, internship and co-op reports, or any other writing task they're working on, including papers for graduate seminars. We help Purdue students, faculty, staff and even those learning English as a second language.
